

# HOPE HAS COME | 2025 Christmas Production

## Bannertown Baptist Church

---

### Goal

Present the Gospel through a Christ-centered, high-quality Christmas production that engages the whole community and welcomes people to Bannertown like never before.

### Vision Statement

“Hope Has Come” is a Christmas worship experience combining a beautifully decorated church property, a “Christmas Welcome Center” filled with hosts and hostesses, refreshments, cider, and hot cocoa, a professional drama, music, video, and lighting all to tell the story of Christ’s coming in a powerful and unforgettable way and clearly present the gospel. This is more than a performance—it’s an opportunity to reach our community, draw people into the story of Jesus, witness to those who need it, edify our brothers and sisters in Christ, and celebrate His birth together.

Through teamwork, creativity, and prayer, we will bring to life a Christ-centered, joy-filled, and professional-quality production that welcomes all and points every heart to Jesus.
